

General Options (UCE Desktop)

Last Modified on 03/14/2018 11:54 am EDT

General options offer a variety of ways to customize UCE Desktop behavior.

1. Open the [Options](#) screen.
2. Click **General**.

The screenshot shows the 'Options' dialog box with the 'General' tab selected. The 'Account' section includes fields for 'Server' (66.171.194.12) and 'Port Number' (5222). There are several checkboxes: 'Login automatically when the program starts', 'Login automatically at Windows startup', 'Reconnect automatically after network failure' (checked), 'Change Main menu(Organization, Favorites)', 'Display photo(Organization, Favorites)' (checked), 'Show notice bar', 'Display checkbox(Organization, Favorites)', and 'Always display Quick Menu'. An 'Interval' field is set to '2 Minute'. The 'Path' section has a 'Path' field with the value 'C:\Users\sstmaurice\Documents\iPECS UCE\2773' and a 'Change' button. The 'Select Language' section has a 'Language' dropdown menu set to 'English (United States)'. At the bottom right, there are 'OK' and 'Cancel' buttons.

3. When you are done making changes to the options described below, click **OK**.

Account options

- **Server** and **Port Number** are display-only here. You can make a change using the [Settings](#) menu.
- **Login automatically when the program starts:** If checked, your password will be saved so that you do not need to enter it every time you login.
- **Login automatically at Windows startup:** If checked, UCE Desktop will launch when Windows starts up.
- **Reconnect automatically after network failure:** If checked, UCE Desktop will try to reconnect automatically in the event of a network failure. Enter the interval in minutes

to wait before reconnecting.

- **Change Main menu (Organization, Favorite):** If checked, the Organization pane is displayed when you login. If unchecked, the Favorites pane is displayed.
- **Display photo (Organization, Favorite):** If checked, your photo will appear in Contacts list, Call list, and so forth.
- **Show notice bar** (not in this version)
- **Display checkbox (Organization, Favorites):** If checked, a checkbox will be displayed in the Organization and Favorites pane.
- **Always display Quick Menu** (not in this version)
- **Use Simple information:** If checked, &&&.

Path

Path identifies the location where downloaded files will be stored. Click **Change** to specify a different location.

Select Language

Currently, only English is supported.
