User Information (UCE Desktop)

Last Modified on 03/14/2018 10:56 am EDT

Customize your presence

The user information in this sectio of the UCE Desktop screen identifies you to other iPECS UCE users.

You can't change your user name or extension, but you can customize how you appear to other users in Contact lists in other ways.

User photo

Double-click the User photo to add, change, or delete your photo. In My Information, click the photo again and then choose Change Photo or Delete Photo.
