IM Options (UCE Desktop)

Last Modified on 03/14/2018 11:54 am EDT

IM options let you customize Instant Messaging behavior.

- 1. Open the Options screen.
- 2. Click IM.

Options					×
General	Font S	ize			
IM	Size	Normal 🗸	Preview		
Audio Device					
Video Device	Sho	w latest IM when recei	ving		
SIP Information					
Change Password					
Call					
Notification					
Presence					
Codec					
Contacts export/import					-
Outlook Contacts				ок	Cancel

- Font Size: Choose Small, Normal, or Large. The Preview window refreshes automatically.
- Show latest IM when receiving: If checked, the last IM received is displayed while you are receiving new one.
- 3. Click **OK** to save your changes.
